✓ "RICH MAN - POOR MAN" ✓

By Hal E. Roach

The action takes place at the Hotel Gougen, situated at Rough-On-The-Hudson. A wealthy and beautiful young woman arrives who is looking for a poor man for a husband. Hardly has she arrived when a wealthy nobleman calls on her and requests her hand in marriage. The heiress refuses him, and as he leaves the janitor enters. Seeing in the newcomer a suitable candidate for his affections, the girl changes clothes with her maid and accepts the wooing of the janitor. "Sunshine Sammy", as the assistant, helps the love affair along.

A ball is to be given at the hotel that night and there is deep despair in the hearts of two of the promoters of the ball, as they find themselves unable to produce the Honorable Roland Groan, who was to be the main attraction of the affair. Seeing the janitor, an idea strikes them and they summon him to their room. After hearing their proposition, the janitor shaves off his moustache and dresses in evening clothes for the gala affair. Making his appearance, he is lionized, and he immediately finds himself before the heiress, whom he thought to be a maid. The girl is also disappointed and refuses his suit, thinking him to be the Hon. Roland Groan. After a series of amusing situations, the mystery is cleared up and the heiress wins her true love, the janitor.
